# Paper Wagon Directions

- Print out wagon template on cardstock
- Color and cut out all wagon pieces.
- Fold wagon box and cover on lines directed. Attach pieces at the bottom. The wagon cover should form an arch with a flat bottom.. Fold wagon seat and attach to the interior of the wagon. Add the wagon tongue to the bottom of the wagon, and then add wheels to the sides. Some adjustments may have to be made in order to balance the wagon.
- Enjoy!
